Sir,

Lost of important Letter

Please be informed recently I lost some letters which are letters to the US patent and trademark office and is related to the above-identified application and which I have decided not to send out.

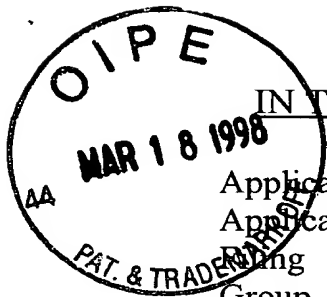

Please also be informed that I have determined not to abandon the above-identified application and if it is not allowable at this stage, I'll appeal.

Should the Examiner receive any letter which appear to be from me but in violation with this determination of mine, please be very carefully to check the signature and don't forget to contact me for confirmation.

Sir,

Submitted herewith is a substitute specification written in proper idiomatic English and in compliance with 37 C.F.R. 152 (a and b) as required by the Examiner in the first office action, item 11.

Verified Statement(Declaration) for declaring
Substitute Specification contains no new matter

As the applicant and inventor of the above-identified patent application, I hereby declare that the substitute specification introduces no new matter into the disclosure of the invention.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that theses statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.
